

1. This is the only channel I listen to. It encourages me and helps my day to go better.
2. I believe my local community as a whole would greatly be affected if K-LOVE were to be displaced because the music on K-LOVE encourages people to live better lives by uplifting and inspiring music.
3. I believe the service provided by K-LOVE is in the public interest because not only do they play uplifting, inspiring music, but they also have counselors available to help people with problems in their lives. Peoples lives are changed, even to the point of being saved from suicide.
